ADVERTISEMENTS
Inserted at \$1 per square for the first insertion, and 75 cents for each subsequent. Special notices 15 cents a line.

The revenue of the United States, from all sources except loans, for the three months ending September 30th, was one hundred and forty-six millions of dollars, by far the largest sum ever received during any similar period. The internal revenue receipts continue large, and for the present month will amount to twenty-five or thirty millions of dollars.

According to their arithmetics, the "Democratic" party is always gaining votes, but then the trouble is, they cannot reduce Republican majorities.

J. C. GREEN would respectfully inform his old patrons and the public generally, that he has made an engagement with the firm of FISHER & LOWRANCE, (successors to the old firm of Fisher & Agnew,) where he would be pleased to see them. Our stock will be complete in all the several branches, viz: DRY GOODS, HARDWARE, GROCERIES; in fact, almost everything a family or a plantation may want. All of which will be sold at the LOWEST RATES. The store is on Main street, at the old stand of Fisher & Heimlich.
